The countdown is here, and we will soon celebrate the beginning of 2022. Luckily, we will be celebrating Christmas on the island of Venice. We invite you to visit Kerri's Jewels & Gems for your special gifts.

After enjoying your day on the beach or playing golf...come in and browse our many showcases, including our nautical-themed pieces in sterling silver or 14-karat gold, diamond, and gemstone jewels, along with our beautiful selection of Larimar jewelry.

Our customers' favorite showcases are the one-of-a-kind antique or vintage jewels display that introduces new items every day. The items in the estate case find new homes very quickly. The most fascinating case to men, women, and children is our Hemi, Mako, and Megalodon shark tooth display. Whether you find your shark tooth or whether you choose one from us, we are well known to bezel them in sterling silver or 14-karat gold or even a simple wire wrap. Many shark teeth leave with unique bezels of a diver, shark, crab, or custom wire wrap. These bezels show off your piece of treasure and, believe me, you will be asked many questions and be so admired! It's a real conversation piece!

TESTIMONIAL

I have been a repeat client of Kerri's Jewels & Gems for an extended period of time. Over the years, I have used Kerri's full range of services including:

Purchasing fun beach-themed jewelry from the display case

Purchasing a matching set of Larimar jewelry

Having rings that I already owned resized

Purchasing multiple exquisite, unique estate jewelry pieces

Having a custom pendant made from a loose stone I had at home that was accentuated by a sizeable diamond that I was able to purchase in this store

I have enjoyed working with this business so much that I asked the owner to keep my ring sizes on file so that my husband could make long distance purchases for me as gifts; and he has!

In every transaction with Kerri's Jewels & Gems, the values of honesty, integrity, and focus upon customer service shine through. I highly recommend them.

In addition to our beautiful showcases, Kerri's Jewels & Gems is also known as a full-service jewelry store. Our services include ring sizing, updating a favorite piece, or designing your own unique treasures. We always welcome walk-ins, and in many cases, you can drop off your jewelry, go have lunch and shop, then pick up your piece before leaving Venice Avenue. We recommend calling ahead to schedule an appointment for repairs needing parts or a special design element. During an appointment, we can better serve your needs and ideas.

Kerri's Jewels & Gems will **TRADE** your **GOLD** or **SILVER** towards repairs, a new item, or even buy it for cash (\$99 and under) or write a check (\$99 and over) due to Sarasota County Regulations.
