Seeking products reflecting the care-free Gulf Coast lifestyle? Kristine Grace Resort Wear is perfect for you! Entering its eighth year, the Venice Island store has built a loyal customer following for its unique coastal gift items and apparel.

Kristine Grace Resort Wear offers easy, breezy clothing that's stylish, functional, and affordable, featuring everything from summer dresses to basic tees. If you are going to the beach, the golf course, the tennis or pickleball court, or to a dinner party—whatever your day brings you—Kristine Grace Resort Wear takes you there effortlessly.

We are very proud of our line of ladies' apparel called Kristine Grace. Included in the line are skorts, dresses, and 1/4-zip tops. Proudly made in Sarasota, these garments are made of breathable, machine-washable material offering UPF 50+ sun protection and 4-way stretch. Our silhouettes are simple yet unique. "Our custom print for Venice features the Fishing Pier and the Gazebo," notes owner and manager Betsy Wietor.

The extensive lines of both Coolibar and SanSoleil are high-quality UPF 50+ clothing that ensures you have everything you need to keep cool, dry, and protected from the sun's harmful rays. "Fabric is one of the best defenses against the sun," says Betsy. "Coolibar and SanSoleil clothing are strongly endorsed by dermatologists."

We love Pickleball!

We also carry AnaClare and AnaClare Activewear. These easy-care signature prints deliver a classic, comfortable style. They are affordable and resilient, great for travel, and can be dressed up or down.

New this year to the store this season is pickleball clothing and accessories. We are offering the following brands: Bella Bella Sports, Dinkers & Bangers, jojo+lo, PB1965, and Dona Jo Brand, all of which have pickleball-inspired designs that will allow players to express their love of the sport on and off the court.

We feature Tidewater flip-flops—a brand that embodies everything fun, relaxed, and comfortable. From coastal-themed designs to sea creature prints, Tidewater wants you to feel like you take on the world in style, wherever your adventures may lead you.

We also have sun-activated shirts that either change color or have hidden designs that become visible when exposed to the sun. We stock them for infants, toddlers, and young children, with sizes ranging from infant 6 months to youth extra-large. They make unique gifts for young children.

"Stop in today," invites Betsy. "We've got something just for you."
