

White Cheddar & Roasted Pepper Grilled Cheese

Ingredients

8 oz. medium white Cheddar cheese, shredded

1/4 cup roasted red bell pepper, drained and finely diced

1/2 cup mayonnaise

8 slices country white bread

3 Tbsp. butter, room temperature

Directions

Combine shredded cheese, roasted peppers, and mayonnaise in a bowl; mix well. Spread cheese mixture evenly over 4 slices of bread; close with the top halves of the sandwiches.

Spread butter evenly over the outsides of sandwiches; grill on both sides until golden and cheese is melted.

This roasted red pepper and white Cheddar cheese spread also tastes great cold. Spread it on crackers, crisp flatbread, or pita chips.
