

# KERRI'S JEWELS & GEMS

Ho! Ho! Ho! 'Tis the season, and Kerri's Jewels and Gems has your unique and special gifts for Christmas 2023! Our jewelry cases are full and have a nice selection of gold, silver, Larimar, shark teeth, and one fantastic estate case! We invite you to come in and browse our store. Or make an individual appointment to better serve you in finding your special gifts!

At Kerri's Jewels and Gems, our bestsellers are the rare Hemi, Mako, and Megalodon shark teeth bezeled in 14KT gold or .925 silver. The most popular bezel themes are mermaids, crabs, and sharks, or create your own special bezel for one of the best conversation jewelry pieces of all time. For the diving enthusiast who found their treasured shark tooth, bring it in and we can help you design your special treasure or pendant that will 'WOW' your family and friends.

Season to  
Sparkle  
and  
Shine!*

An additional bestseller is our Marahago Larimar jewelry collection. The stunning soft blue in the larimar gemstone is reminiscent of the ocean, and each season brings new designs and collections! Marahago Larimar is a perfect gift and we always have a large selection to choose from for your special someone.

Kerri's Jewels and Gems' most valued jewelry case is our antique and vintage jewelry estate showcase. Our estate case has many unique pieces that will capture your attention. The antique and vintage jewels usually are heavier in metal weight and are some of the best buys! There are pendants, chains, rings, bracelets, and so much more to choose from for that special holiday gift.

The holiday season is upon us, and Kerri's Jewels and Gems has a lot to offer in your jewelry needs! Our skilled, experienced onsite jeweler, who is on the premises on Wednesdays and Fridays, can help you with a special design or even with taking a sentimental jewelry piece and redesigning it into a new ring, pendant, bracelet, and earrings! Also, we can resize your ring, fix a broken

chain, switch your clasp into a magnetic one, and replace your watch battery.

Kerri's Jewels and Gems buys silver, gold, shark teeth, and jewelry! One can cash in their gold and silver or trade it for a new or estate piece of jewelry. We want to make your jewelry needs simple and easy, and will work with you. This time of the year the hustle and bustle of the holidays may make the budget a little tight! Kerri's Jewels and Gems will buy your broken jewelry or scrap gold and silver for cash (\$99 and under) or a check (\$100 and over) required by Sarasota County Regulations.
