There's a new girl in town...Meet Michelle Bouse, celebrity lash and skincare artist. Michelle is an established beauty expert and licensed esthetician from Los Angeles, California. Her 18-year roster of clients consists of many A-list celebrities and Hollywood professionals. She grew up in New Jersey and recently moved to Venice, Florida, to enjoy being closer to family.

Michelle has worked on many famous faces in Hollywood; now, she's bringing the latest and most innovative beauty technologies from Hollywood to our area. Some of her top services include lash extensions and lifts, facial peels, brow design, dermaplaning, hydrodermabrasion, and makeup and hair for special events. She is used to getting faces "camera-ready" and her work has walked many red carpets in Hollywood.

Who doesn't want celebrity lashes? She's done it. For real. Whether it's lash extensions, a lash lift, or false lash designing, this has been Michelle's specialty for years. "Jennifer Garner, Anna Gunn, Hilary Duff, Melissa McCarthy, Molly Ringwald, and Patty Duke have all been my clients," she shares.

Michelle has her own skincare line for men and women. "Beautiful by Michelle Bouse" is a clean line that's vegan and made in the USA. She is always staying on top of the latest ingredients that yield the best results. Michelle is passionate about beauty and loves customizing for every client's needs. She has also created a makeup essentials line based upon her 23 years of expertise working on-set with celebrities in Hollywood. The line consists of items everyone can benefit from adding to their own personal makeup kit. All these products are available on her website.

Certifications are the key to a seasoned professional. In all the diverse beauty modalities, Michelle is proud to have spent time through the years educating others in her field and certifying her own skills, noting that, by doing so, she continues

to learn and improve herself. She adds, "I have also traveled the world as an in-demand educator, training artists in my craft."

Michelle loves to give back. When she isn't busy working, she is always involved in charity and community outreach. She is passionate about supporting small businesses and giving back to the local community. Michelle loves mentoring, educating, giving of her time, and dancing, a passion stemming from her previous experience as a choreographer.

Michelle is thrilled to be joining her long-time friend and local business owner Robin Chiusano at Total Body Care of Venice located in downtown Venice. Michelle says, "I am so excited to bring all my years of Hollywood beauty experience to the Venice/Sarasota area. I always loved visiting my family (and reading *Venice Gulf Coast Living Magazine*) and am thrilled to become a permanent resident. I look forward to getting involved with the local community and dancing around the state."

Michelle has been a requested celebrity makeup/lash artist and esthetician, educator, consultant, and TV spokesperson for years. Once you get to know her, you'll see how she blends her expertise and knowledge of skincare and makeup, creating an unforgettable experience for her clients.
