Visit Beach Life by Terry, where you'll be enticed by the captivating display of shimmering coastal gifts. Adorned with a unique, hand-picked selection of jewelry, home goods, candles, paintings, and more, this neighborhood store grants shoppers a chance to surprise friends and family with special treasures from the Sunshine State.

Working with talented, local artisans in the area, owner Terry Magruder brings customers a chance to shop creative sea-themed selections, all together under one roof. Many of her own handmade jewelry collections are also on display, allowing guests to browse these one-of-a-kind finds. She notes, "Clients often describe their shopping experience like being on a treasure hunt."

Terry and her team acknowledge that their customers are unlike no others. "We love our customers, and our team is so grateful to the community for their kindness and support during these times," she says. "We are so blessed." To show their appreciation, the team is hosting a Champagne Friday on April 15 between 10 a.m. and 3 p.m. where refreshments, small bites, and terrific shopping kick off a fantastic weekend!

The perfect gift for any occasion awaits at Beach Life by Terry. As Mother's Day approaches on May 8, don't miss the opportunity to select unique presents that will make the women in your life feel extra special. Be sure to stop in and discover rare treasures at Beach Life by Terry!
