Bring the colors of spring to your Easter table this season by showcasing palettes of purple, pink, or mauve. Whether you're planning to host a casual or formal celebration, here are a few quick decorative ideas that will help you create a simple, sophisticated, or adorable tablescape that is sure to leave a lasting impression on your guests.

Charming Elegance

Create a charming country-style tablescape by using soft shades of lavender throughout your design. For a more elegant presentation, dress your table in white lace, and then adorn it with dark mauve plates, floral napkin rings, and rose-colored stemware.

"Eggs-tra" Cute Bunnies

Present each guest with an egg wrapped in a napkin lined with pink tissue paper. Simply crease the napkin to create bunny ears and tie it with a pink ribbon. Place the bunny eggs on a plate next to silverware dressed in a matching bow, or insert one into an empty wineglass for the ultimate cute-factor!
