

French 75 Champagne Cocktail

Ingredients

1-1/2 oz. cognac

1 oz. freshly squeezed lemon juice

1 tsp. sugar

Ice

Champagne

1 fresh lemon twist

Directions

Combine cognac, lemon juice and sugar in shaker; add ice and shake until chilled. Strain into champagne glass. Top with a splash of champagne and a lemon twist.

To prepare a small pitcher of French 75s, combine 9 ounces cognac, 6 ounces lemon juice and 2 tablespoons sugar in a small pitcher filled halfway with ice. Stir until sugar is dissolved. Strain equally into 6 champagne flutes. Top each with champagne and a lemon peel twist.
